V. Lakusta, A. Organ, I. Cosciug, A. Licimaniuc (Moldova)

13.00-14.00 Lunch

- 14.00 The effect of ear acupuncture on serum
I. Tekeoglu (Turkey)
- 14.20 A controlled trial of elektroakupuncture in opiate withdrawal
A. White (UK)
- 14.40 Efficacy of Su Jok method for treating various pain syndromes
O. S. Merimskay (Russia)
- 15.00 Using Su Jok therapy for treatment of uterine tumors
V.F. Kokolina, O.N. Lapteva (Russia)
- 15.20 Acupuncture as method in immunotherapy
V. Pepelyaev (Belorus)
- 15.40 Points of acupuncture- strange Sounezhu point outside main channels. Clinical observation of 65 cases for proliferation of breastgland and pain in breasts
X. Shi, L. Zhu (PR of China)
- 16.00 Cosmetic and adaotogenic effects of complex influence on acupuncture points in neck facial region
R.N. Karaev, A. M. Vasilenko (Russia)
- 16.20 Methods of acupuncture in treating patients with atopic dermatiris
V.P. Adaskevich (Belorus)
- 16.40 Dynamics of some immunological parameters in patients with herpes simplex redcidivans before and after combined treatment with acupuncture, laser and phytoprodukts
E. Iliev, K. Nikolov, L. Durmishev (Bulgaria)
- 17.00 The application of acupuncture stimulation as a factor of prevention in stress and hypoxic damages in sport medicine
S.A. Radzievsky (Russia)
- 17.20 Increase of sport results using elektroakupuncture and elektrostimulation
E. Enev, D. , Bahchevanov (Bulgaria)
- 17.40 Application of special eastern massage – manual therapy according to Masayaki Saionji
A. Maruska (Lithuania)
- 18.00 To complexity of acupuncture experimentation in aports medicine
J. Amoyel (France)

June 5

- 9.00 Acupuncture, moxibustion and auriculotherapie in modern sports medicine
H. Thorer (France)
- 9.15 Elektroakupuncture point stimulation with high voltage (PUTENS) as an effective modern technique
T. Weinschutz (Germany)
- 9.30 Therapeutic exercise and distal acupuncture for treatment of pain (Bi Syndrom)
I. Kurtev (Bulgaria)
- 9.45 Acupuncture for treatment of patients with psoriatic arthritis
M. Slavova, M. Terzieva, R. Genova (Bulgaria)
- 10.00 Efficiency of elektroakupuncture stimulation in diskcogenic lumbosacral radiculitis treatment
T. Georgieva (Bulgaria)
- 10.15 Results after treatment of angiospasm by acupuncture
Z. P. Holevich, V.E. Shakola (Bulgaria)
- 10.30 Acupuncture in teeth extraction
V.E. Shakola, Z. P. Holevich (Bulgaria)
- 10.45 A new points different from these of Vaie
A.I. Kayadjiew (Bulgaria)

11.00-11.20 Coffe break

- 11.20 Pain treatment after larynectomia
S. Ivanov (Germany)
- 11.30 Auriculodiagnostics in case of long lasting lumbosacral radiculitis
D. Tupkov (Bulgaria)
- 11.45 Theory of the fractal character of the human body
E. Enev (Bulgaria)
- 12.00 Standartized system of abbreviations of acupuncture&moxibustion therapy prescription
E. Enev (Bulgaria)
- 12.15 International acupuncture nomenclature standarts proposal
D. Mandic, M. Markovic (Yugoslavia)
- 12.30 Low intensive lasers in onco-urology
A. Degtyareva (Ryssia)
- 12.45 Treatment of Acne vulgaris by classical acupuncture and pressed needles
V. Velichkova (Bulgaria)

13.00-14.00 lunch

- 14.00 Headache treated with skin magnets on the legs - on the same aspect as the pain
