Improving the provision of CAM Medicinal Products (H & AMPs)

European Coalition on Homeopathic and Anthroposophic Medicinal Products E.E.I.G.
Four Key-words

Demand
Sustainability
Regulatory Environment
EU-Agenda
High and growing
EU-wide and independant from national traditions
Understandable/legitimate
For the health of human being
For public health
For the health of the environment
For the health of health budgets
Double 20\textsuperscript{th} anniversary in 2012
Proportionality problem
Subsidiarity excuse
Regulatory dilemma
Investing in Health
in sustainable health systems
in human capital
in reduction of inequalities
