16. International TCM-Congress

26 to 28 Sept. 2019

Steiermarkhof GRAZ www.tcmkongress.at

Dear Colleagues!

We would like to invite you to our 16th International TCM Congress. The main theme of this year's congress is **fertility**, and a second topic focuses on the **Water Element** and its issues. In addition, you can expect interesting lectures and workshops on topics such as **gut, pain, laser acupuncture and auriculo-medicine/earacupuncture**.

Enclosed you find all the Workshops and Lectures that are **held in English language**.

[Program](#), Registration per Mail to office@ogka.at

Take advantage of this opportunity - unique in Austria - to experience TCM, feel the cozy atmosphere and the inspiring ambiance of our TAO Congress. Undergo further education in small groups, where you still have the opportunity to speak with the lecturer personally, meet colleagues and make friends for professional exchange or for a leisurely conversation, and last but not least enjoy our beautiful town Graz and its Surrounding (for example the Wine yards in Southern Styria).

Come to this special event and you will feel it - TAO: Traditional- Amicable - "Oesterreichisch"
Dr. Peter Aluani & Dr. Olivia Krammer-Pojer
